

# Rubik's<sup>®</sup> CUBE CLUB

## WHAT IT IS

The Rubik's cube club is a club where you can play with Rubik's cubes (any cubes welcome) We will have little competitions where you can win prizes.

There will be spare Rubik's cubes if you forget yours, and if you cant solve one, we can teach you.

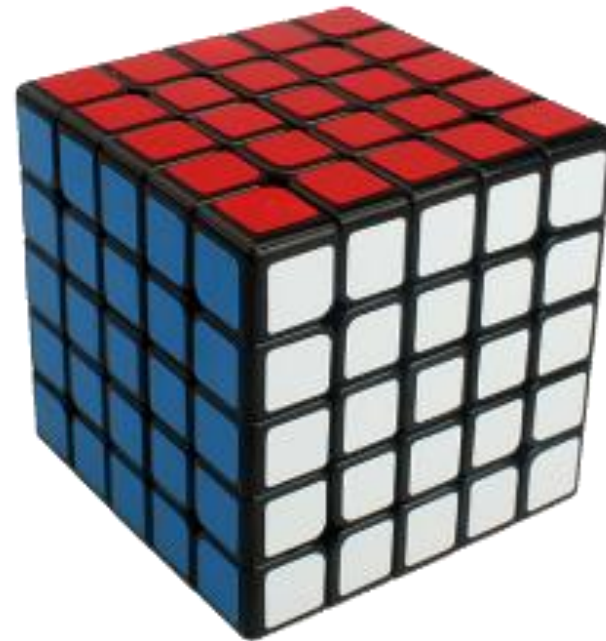

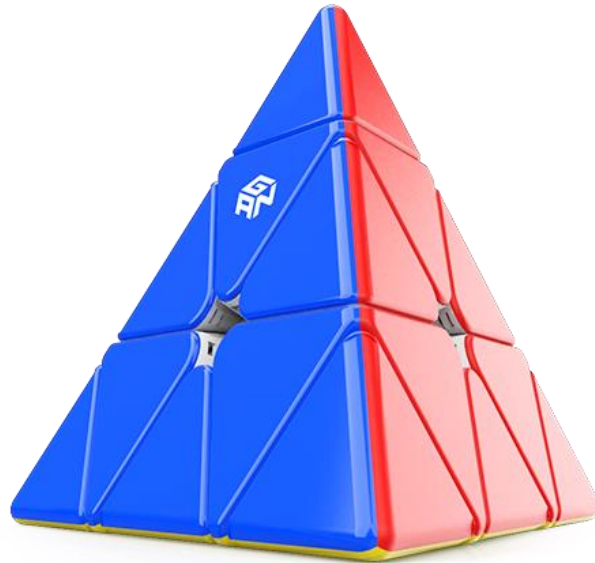

## TIME TABLE

- The club will be In the library.
- The times will be:
  - Thursday second break (just for fun)
  - Friday second break (Competition)

## SPECIAL CUBES

There will be special cubes, like megaminxs, pyraminxs and 5x5s. If you solve one of them you will get a special prize.

## CUBE REPAIR

We will repair your popped or broken Rubik's cubes. This will only be on Thursday. We only do 3x3, 2x2 and maybe 4x4

A large collection of various colorful Rubik's cubes and other geometric shapes, including spheres and rectangular prisms, scattered across a dark background. The cubes are in various states of completion and are arranged in a somewhat chaotic but organized manner. A white speech bubble with a blue border is centered in the image, containing the text "HOPE TO SEE YOU THERE!!!".
